Easter Dinner To Go Menu

Easter Wine

Pares Balta Cava Rose, Catalonia, Spain NV - \$28

A delicate and elegant cava with smooth bubbles and a predominating touch of pure red fruits that bring more complexity to this fresh and crispy sparkling wine. Bottled with zero dosage. (Organic, Bio Dynamic)

Gruner Salomon Undhof Hochterrassen, Niederosterreich, Austria 2022 \$25

Light bodied Gruner Veltliner with notes of citrus and stone fruit, beautiful minerality and a crisp finish. (Low-Intervention)

Embankment Chardonnay, Russian River Valley 2022 \$27

Smooth and creamy, this layered and nuanced wine shows elements of Bartlett pears, hazelnuts, golden apples, vanilla bean and lemon zest.

Clos de Tafall Priorat DOCa, Catalonia 2022 \$29

A minerally red, with smoke, stone and iron on the nose, transitioning to underscore generous flavors of strawberry preserves, red licorice, violet and a savory boost of cured tobacco. Bright and juicy, but with a core of well-knit, chalky tannins that provide weight and focus.

Pagliarese Chianti Classico Riserva DOCG, Tuscany 2019 \$34

Scents of ripe fruit, spice, moist earth, and emphatic impressions of tobacco leaf and black pepper. The palate is marked by tangy fruit with velvety tannins, good weight, and firm structure. A touch of acidity gives the finish a pleasant minerally quality and considerable length.

Pride Mountain Vineyards Merlot, Napa County, 2021 \$78

Subtle hints of black cherry and temperate forest will entice the pinot noir lover, while its structure and tension, lent to it by ample mountain sunshine, will impress even the most skeptical of cabernet fans.
